Krishna vihar colony, Nayagoan, Ratlam

## OBJECTIVE

A motivated and detail-oriented BCA graduate seeking a Junior Developer position to utilize and expand my programming skills in Python, C++, Django, MySQL, HTML5, and CSS3, while contributing to the success of a dynamic team.

## EDUCATION

### Royal Institute of Management & Advanced Studies - [RIMS], Ratlam

Bachelor of computer applications (BCA)  
2023 – 2026

## SKILLS

- Programming Languages: Python, C++
- Web Development: Django, HTML5, CSS3
- Databases: MySQL
- Additional Skills: Problem-solving, teamwork, adaptability, and effective communication.

## CERTIFICATIONS

- Project Network AWS S3 Basics Certification From Coursera
- Data Analysis with Python: Zero to Pandas From Jovian

## LANGUAGES

- Hindi
- English
- Gujrati

## PROJECTS AND EXPERIENCE

### Academic Projects:

1. Web-based Student Management System

- Technologies Used: Django, HTML5, CSS3, MySQL
- Description: Developed a comprehensive student management system to handle student records, attendance, and grades. Implemented user authentication and data validation features.

Role: Full-stack Developer

2. Library Management System

- Technologies Used: Python, MySQL
- Description: Designed and implemented a library management system to manage book inventories, issue tracking, and member records. Utilized MySQL for backend data storage.

Role: Backend Developer

## ACHIEVEMENTS

- Academic Excellence Award:** Recognized for outstanding academic performance in BCA.
- Hackathon Participation:** Actively participated in various college-level hackathons, showcasing problem-solving skills and innovative thinking.

## CAREER GOALS

To secure a Senior Developer position where I can leverage my technical skills and academic knowledge to contribute to impactful projects, while continuously learning and growing within the organization.
